## 2020 PREA Annual Report

**CAAP, Inc. Community Corrections *mandates zero tolerance toward all forms of sexual abuse and sexual harassment.***

After the new Federal PREA standards were passed, CAAP Community Corrections were quick to appoint a department level PREA Coordinator to develop, implement, and oversee the agency's efforts to comply with the PREA standards. Progress made in addressing sexual abuse and sexual harassment are:

- PREA training for all staff, contractors and volunteers.
- Our policies are reviewed annual to better guide our staff and offenders regarding incidents of sexual abuse.
- We have an established PREA Compliance Manager.
- We established and implemented an external PREA Hotline to ensure multiple ways to report incidents of sexual abuse and sexual harassment.
- The agency has continued its Memorandum of Understanding with the Family Safety Center to provide offenders with necessary victim advocate support.

We believe that the growth that Caap, Inc. Community Corrections has experienced toward PREA compliance has created a more conducive reporting environment within our confinement facility. We are pleased to report that a review of the incident based data collected in 2019 to present reflected 0 (zero) total allegations of sexual abuse and 0 (zero) total of allegations of sexual harassment. Any investigations of sexual abuse and harassment are reviewed in accordance with 28 CFR § 115.287 to ensure the facility continues to make appropriate changes where needed.

Caap, Inc. Staffing Plan has been revised. This document details the staffing plan currently in effect for (CAAP) in accordance with Cocaine Alcohol Awareness Program Residential Policy, Client Ratios and Staff Supervision, and as required in Prison Rape Elimination Act (PREA) Standard 115.313.
